Guided tours are an essential part of the park's focus on conservation, as are guests' interaction with wildlife within the sanctuary.

- The popular "Breakfast with the Birds" option is available with your tour.
- Have your photograph taken with a koala, and handfeed the wallabies and kangaroos.

Kuku Yalanji
Dreamtime
MOSSMAN GORGE

These people are the traditional owners of the land from near Cooktown in the north to Chillagoe in the west and Port Douglas in the south. Many choose to live in Mossman Gorge, a World Heritage-listed rainforest area behind the township of Mossman.

Kuku Yalanji guides will take you on a relatively easy 1 1/2 hour walk through pristine rainforest, including visits to cave paintings and special sites. The walking trail features a traditional humpy, a creekside stop for a demonstration in the art of making paint, and a range of bush tucker, medicine plants and fruits.

The award winning Kuku Yalanji tour is also a spiritual experience, allowing visitors to enter a network of story places, sacred sites and Dreamtime legends.

- Daintree rainforest walk with traditional forest custodians
- Billy tea and fire-cooked damper served in a bark wuran
- Browse the gift shop and art gallery for genuine Kuku Yalanji art.
